

SAMUEL CROWELL, PH.D.

✉ Sam.Crowell.5@gmail.com  <https://www.linkedin.com/in/samuel-crowell>

Qualifications Summary

- Ph.D. Economist with 5+ years of research experience utilizing regression models, theory, and an understanding of markets to drive economic analysis. During my time at FDIC, I have contributed to *Weekly Economic Briefs*, *Annual Risk Review*, and *Quarterly Economic Update* publications.
- Extensive experience working with large, complex data including: FDIC's Summary of Deposits, Call Reports, Uniform Bank Performance Reports, and HMDA and CRA data. Additionally, have worked with market data in Bloomberg and S&P's data platforms.

Experience

Federal Deposit Insurance Corporation **Washington, DC**
Financial Economist *10/2024 - Present*

- Conduct research to identify risks in financial markets using internal bank and market data for the Economic Analysis Group in the Division of Insurance and Research. My coverage areas include: fixed income issuance and spreads, short-term funding markets, and interest rate movements.
- Contribute to internal publications including: *Weekly Economic Briefs*, *Quarterly Economic Updates*, and *Annual Risk Review*. Brief senior leadership on developments in Financial Stability Board research.

Vanderbilt University **Nashville, TN**
Data Manager *5/2024 - 10/2024*

- Cleaned and maintained confidential datasets on Tennessee Education Research Alliance's servers and distributed data to academic and policy researchers.

Economic Research Assistant *5/2021 - 10/2024*

- Assisted Peter L. Rousseau in the research, data analysis, and writing of multiple finance and economic history projects submitted for publication. The projects used financial data and econometric models to understand the development of the US's financial system.

Teaching Assistant *8/2020 - 5/2024*

- Instructor on record for Intro Macroeconomics and the Economics of Money and Banking.

Bleecker Street Research **New York City, NY**
Research Intern *5/2023 - 8/2023*

- Utilized forms 10-k, 10-q, and other SEC public filings to research opportunities for short biased investments. Uncovered anomalies in revenue reporting using Machine Learning and Regression Analysis.

Westwood Holdings Group **Dallas, TX**
Intern *6/2017 - 7/2017*

- Assisted in account compliance verification by identifying clients' stated investment objectives and confirming that their portfolios matched those goals.
- Gained experience documenting client interactions with the firm's CRM platform.

Education

Vanderbilt University **Nashville, TN**
PhD. in Economics, 3.8 GPA *10/2024*

Masters in Economics, 3.8 GPA *5/2021*

Rhodes College **Memphis, TN**
B.A. Economics and B.S. Mathematics, 3.9 GPA *5/2019*
